

HEARING LIST FOR REMOTE APPEARANCE SELF-SCHEDULING

Effective March 9, 2026, only the hearings listed below will be eligible for self-scheduling of remote appearances via Teams using the new CourtCall Remote Scheduler platform.

All other remote appearances scheduled for hearings not on this list will continue to use Zoom until full implementation of the new system at a future date, which will be announced soon.

The court's website will be updated with the timeline for full implementation as it becomes available.
